North America and all fifty united states
(to be made public record)

RECEIVED

U.S. DISTRICT COURT

1: I am Freeman Billie-Russell of the Family Schofield born out of the jurisdiction of the United States and living peacefully on the free land known as North America and all fifty united states, who is subject only to God, became a sovereign man upon God's Earth with his first breath on First day of October, of the year One Thousand Nine Hundred and Fifty Five, A.D.

SEP 25 2012

U.S. DISTRICT COURT
DISTRICT OF COLUMBIA

2: I Freeman Billie-Russell of the Family Schofield am not in nor am I of The United States.

3: I Freeman Billie-Russell of the Family Schofield do hereby declare and affirm that I've never knowingly agreed to be a United States subject or a United States Constitutional 14th Amendment citizen or a United States Statutory citizen or any type of Legal citizen.

4: I Freeman Billie-Russell of the Family Schofield hereby declare and affirm that I am one of the people/free-men with all his Rights on this land known as North America and who affirms his duty to protect the unalienable Rights of the people/freemen.

"When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

Reasons for disassociating with this Corporate State known as the United States and all its subject corporations known as State Governments, County Government and City Governments:

5: The United States is not what we've been taught in the corporate licensed schools. The United States is simply a business corporation. All United States Statutory Law is carried out under color of law. The United States Corporation's purpose is to extort the free people in these united states of America and the world. The United States Corporation extorts the free people through the use of fictional entities known as citizens/franchisees who are given names in all CAPITAL LETTERS and employee numbers, SSN. The United States governing corporations do not operate by any constitution, instead they operate by force, propaganda, intimidation, and misinformation and through unlawful Legal Courts, not people's common law courts. The United States and those working for it are only free to continue their domestic terrorism on the free people because the people are blind to the truth of what this Great Union is supposed to be and is not. When enough people educate themselves on the truth, those in the current governing corporations will be tried by a common law jury of people, not citizens. The Corporate Governments of the United States, of the States and of the Municipalities are truly governments by consent, but consent obtained through coercion, threats of imprisonment, injury or death at the hands of the Law Enforcers. The citizens/employees/servants must start behaving like the real people they are.

The right to swing my fist ends where the other man's nose begins.

- attributed to Oliver Wendell Holmes, Jr.

American jurist who served as an Associate Justice of the Supreme Court of the United States from 1902 to 1932.

*I therefore, in order to retain my Rights, cease State extortion, do what is right for myself, my family and the people/freemen and this land which I love,
I voluntarily make this Affirmation*

6: I Billie-Russell of the Family Schofield do hereby declare to uphold and stand by:
The common law, the people's unalienable rights, The Magna Carta of 1215, the IN CONGRESS, JULY 4,
Affirmation to the sovereign people on this land known as North America

In the Constitution for the United States we find the Amendment 14: Amendment 14 - Citizenship Rights. Ratified 7/9/1868.

All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.

(The free people in the states have been tricked into agreeing to be a 14th Amendment citizen and statutory citizen, which is in fact a freed slave or legal property of the United States Corporation and who is identified by his/her all CAPITALISED NAME).

In the Constitution for the United States we find the Amendment 9- Unenumerated Rights. Ratified December 15, 1791.

The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people.

(It is obvious that if no rights or Rights were denied or disparaged from the people in the Ninth Amendment, then it should be obvious that no Statute or Code can deny or disparage any rights retained by the people, unless a people gives such consent, for the record I do not give such consent.)

Because of the fact that not one of the United States Legal Laws are lawful, it would be unlawful to quote any of these corporate codes in this lawful paper. One can only do what is right, and pray to the creator of men, that those blinded by the veil of corruption can take time to research the truth stated in this paper and follow their hearts to do that which is right. I am but one freeman, one enlightened drop in a sea of deception, one freeman with no power of force, with no power of numbers, but armed only with power of truth. All those men who will willingly take unlawful actions against this freeman, my defenseless woman and children will some day have their women and children struck by the same unlawful sword they cultivate and sharpen.

A free people, Sovran Billie-Russell of the family Schofield, along with those brave men who spilled their blood to protect our freedom, I too pledge along with them my life, my fortune and my sacred honor.
